Curriculum Vitae

- 2022
 Feb. until now 1st mate/ engineer on 40m Sailing Yacht "Ultima Novia" in the Bahamas. Maintaining and servicing the vessels systems while at dock and underway for a 2 week boss trip in the Bahamas. Day and night watches during passages and help with all sail operations (vessel has numerous captive winches as well as main and mizzen on in-boom furlers)
- 2021
 April to Dec. Deckhand on a 34m Motor Yacht "J & Li" in SOF. The deck department consisted of the Captain and me. Besides the usual deck work (cleaning, tender ops., help during maneuvering, water toys etc.) I was also on watch when at anchor and on passages (both during daytime and at night). Service, maintenance and repair works. Vessel got sold by the end of the year and my contract was terminated.
- 2020
 Feb. to Sept. 1st Mate/sole Crew on 66ft Sailing Yacht "White Dragon" in Turkey. I was responsible for the upkeep of the vessel and service/maintenance of all the equipment (engine, generators, A/C, water-maker, dive center, hydraulics, plc systems etc.) I have left this vessel in order to relocate to SOF to be able to work on my certificates and gain sea time (vessel stationary due to covid)
- 2019
 All year Crew with various duties (watch keeping, maintenance, route planing, provisioning, occasional cooking etc.) on sailing vessels (>50 foot) crossing the pacific (1st: Panama to Tahiti via Galapagos on "JaJapami", 2nd Panama to Marquesas via Galapagos and Gambiers on "September a.m." (totaling over 10'000 miles)
- 2014 to 2019 Full time professional sailing coach, self employed with my own company. Various programs in Europe, U.A.E., New Zealand/Australia and U.S.A.

Curriculum Vitae before working full time in sailing

- 2005 to 2014 Working in various departments for a number of Swiss financial institutions. Roles included customer interaction (client advisor) as well as management positions (managing up to two teams and 20+ employees)
- 2002 to 2005 Bachelor degree in Business Administration), 3 years full time study including a semester abroad in Tallinn (Estonia)

Visas

- Schengen citizen (Switzerland)
- B1/B2 (valid until 01-2031)

Vaccination

Fully vaccinated
Covid vaccination since 08-2021, booster 12-2021 (PfizerBioNtech)

Motivation

I am looking for a long term position where I can utilize my skills and strengths. Ideally with a strong team. A possibility to further work towards my certificates would be seen as additional plus for me.

Next Goal

Obtaining the Master 200 license

Additional information
